FREE LORI BERENSON:
DO NOT LET HER BE WRONGFULLY CONVICTED TWICE

- The Supreme Military Council of Peru has admitted that they wrongfully convicted Lori.
- It is against international and Peruvian law for her to be "double jeopardized" by putting her through a civilian trial.
- The US State Department 2000 Human Rights Report stated that Peruvian civil courts do not afford due process in cases of alleged terrorism.
- The UN High Commission on Human Rights has declared Lori to be arbitrarily detained according to the Universal Declaration of Human Rights and the International Covenant on Civil and Political Rights (Opinion No. 26/1998).
- In the 106th Congress, 250 Representatives and 44 Senators urged Ms. Berenson's release, as have the City Councils of New York and Los Angeles and other municipalities numerous religious groups, human rights organizations, unions, newspaper editorials, and academic institutions.
- Lori has maintained her innocence while the Peruvian government has been unable to substantiate any of their claims against her.

Mr. President- we ask that you do all in your power to secure the release of Lori Berenson.
